

2022 Sustainability Report Card

CROP PROTECTION & INTEGRATED PEST MANAGEMENT

4

Number of non-chemical integrated pest management methods in use

2

Average crop rotations per ranch

MATERIAL MANAGEMENT & WASTE REDUCTION

267,000

CHEP Pallets in circulation

3.1 million

Number of clamshells made with PET 1 materials

ECOSYSTEMS & BIODIVERSITY

19

Number of ranches identified as having environmentally sensitive habitats nearby or adjacent

WATER MANAGEMENT & CONSERVATION

3,846

Acres on drip irrigation

SOIL MANAGEMENT & CONSERVATION

835 tons

Amount of compost applied to our crops

2,531

Acres of Brassica farmed as rotational crop

ENERGY & EMISSIONS

475

Acres powered by on-farm solar energy
