

Burger & Sandwich Leaf

CHEFFING MADE EASY

The Best Bite for Your Burger

Burger & Sandwich Leaf is the ideal topper for any build looking for hearty CRUNCH, heat tolerance and delicately sweet flavor. An almost perfectly round green frilly edge shows just the right pop of color on a bun or roll.

- Holds up well to **hot proteins**
- 100% yield = no waste
- Consistent sizing = less labor
- Price stability helps mitigate rising costs
- Flat leaf makes for easy stacking with other burger or sandwich components
- Hand packed in the carton for less mechanical damage
- Add to your existing order for loading convenience
