

Baby Romaine

MULTI-TASKER

Nutritious Taco Shell Alternative

This item offers a creative, healthy serving vessel—think boats and tacos! The shorter, cupped romaine leaves give you numerous ways to use across all menu applications, and have high yield for each baby-sized head of romaine.

- Individual leaves make a gluten and carb-free alternative for tacos and wraps. They're even great for breakfast tacos – break the norm!
- Whole leaves fit subs and sandwiches perfectly
- Halved leaves are ideal for hamburgers
- Chopped or shredded for salads

Each head is 6-9 inches
